

Summer School 2016: Mathematical Methods for High Dimensional Data Analysis

	Monday	Tuesday	Wednesday	Thursday	Friday
09:00 – 10:30	Steve Oudot	Steve Oudot	Jose Perea	Lorenzo Rosasco	Jaroslav Blasiok
10:30 – 11:00	<i>Coffee break</i>	<i>Coffee break</i>	<i>Coffee break</i>	<i>Coffee break</i>	<i>Coffee break</i>
11:00 – 12:30	Jose Perea	Steve Oudot	Jose Perea	Lorenzo Rosasco	Alessandro Rudi
12:30 – 14:15	<i>Lunch break</i>	<i>Lunch break</i>	<i>Lunch break</i>	<i>Lunch break</i>	<i>Summer School ends</i>
14:15 – 15:45	Jelani Nelson	Excursion: Meet U-Bahn @ 14:15 or Augustiner Keller @ 18:15	Mathieu Carrière	Chris Tralie	
15:45 – 16:15	<i>Coffee break</i>		<i>Coffee break</i>	<i>Coffee break</i>	
16:15 – 17:45	Jelani Nelson		Lorenzo Rosasco	Jelani Nelson	
18:15 – 21:00	Biergarten in Garching			Social Evening: FingerFood & Film	

Lectures:

All lectures take place in the lecture theatre of the Leibniz Rechenzentrum (LRZ), Boltzmannstraße 1, 85748 Garching

Teaching Assistants

Jaroslav Blasiok (Jelani Nelson), Mathieu Carrière (Steve Oudot), Alessandro Rudi (Lorenzo Rosasco), Chris Tralie (Jose Perea).

Summer School 2016: Mathematical Methods for High Dimensional Data Analysis

Excursion

Excursion either to the Olympic Park or Nymphenburg Castle. Please meet in front of the tube station "Garching Forschungszentrum" (south entrance) at 14:15, to take the tube in groups to both destinations.

After the tours we will proceed to the Augustiner Bierkeller, Arnulfstr. 52, 80335 München, where our group has a reservation for 18:15.

Social Evening: Fingerfood & Film

On Thursday evening there will be a finger-food buffet for all Summer School participants in the Magistrale of the Mathematics Faculty from 18:15 onwards. At 19:30 we will show the film "The Discrete Charm of Geometry" in the main lecture hall (Hörsaal 1).
